The MRO is the mass of the unladen vehicle, including an allowance for the driver (assumed 75 kg) and a 90% full fuel tank. The MRO is calculated with the fresh water tank empty. If you travel with water in the freshwater tank then the User Payload will reduce accordingly.

The optional automatic gearbox on the Fiat chassis will increase the MRO by 50 kg and therefore reducing the user payload by the same amount. All masses and weights are subject to a tolerance of +/-5% complying with the European Directive 1230/2012. All motorhomes in this brochure conform to the European Standards for Motorhomes: EN1646 -1, EN 721, EN1949 and EN 1648-2. They have also been granted European Whole Vehicle Type Approval to EC Directive 2007/46. We would

strongly advise against modifying vehicles in any way that could affect the validity of these Standards or Directives.

The Maximum User Payload includes:

- Conventional load, is the allowance for passengers
- Essential habitation equipment includes items and/or fluids required for safe and proper functioning of the habitation equipment.
- Optional equipment is items available from the manufacturer over and above the standard specification.
- Personal effects, items not effected by the above.

2020 Auto-Sleepers Range Specification

Peugeot Campervans

Base Vehicle Specification

- Peugeot Twin Leaf rear suspension and Top Drive semi-air suspension system installed*
- Turbo Diesel 165bhp Euro 6 manual engine
- Sargent CAT6 Vehicle Tracker pre-installed (£95 Annual Subscription Applicable)
- ESP, ABS brakes with EBA, EBF as standard
- Optional Fiat Ducato 140/165bhp automatic engines#
- Alloy wheels*
- Cruise control*
- Integrated touch screen media console with DAB radio, Satellite Navigation and Bluetooth® connectivity & steering wheel controls*
- Cab air conditioning*
- USB and Auxiliary input sockets
- Single key central locking for cab and habitation door
- Driver and passenger airbags
- Driver and passenger seat armrest
- Power assisted steering
- Electrically heated and adjustable door mirrors
- Electric cab windows
- 12v socket
- UV filtering tinted glass
- Spare wheel & carrier with remote tyre pressure valve
- LED daytime running lights
- Rear fog lights

Exterior General

- Four body colours to choose from including 3 metallic paint colours
- Colour co-ordinated front bumper and door handles**
- Athermally treated privacy glass with concertina blinds & flyscreens
- Space saving 25 litre under floor mounted LPG gas tank fitted with LED level gauge
- CRIS security chip
- Colour reversing camera with rear view mounted LCD screen*
- 80W solar panel*
- LED strip awning light
- Maxview TV aerial
- Thule roof mounted canopy awning*
- Thule Rear Awning#
- External TV socket
- External gas BBQ point
- External 230v mains socket
- Styling longitudinal roof bars
- Thule load bearing rails#
- Electric slide-out entrance step with auto retract on engine start

Interior General

- Choice of Luxurious Limewash furniture with chrome fixtures and fittings
- Panoramic opening rooflight
- Privacy blinds & flyscreen's to all opening windows
